Yes. We will be at Oregon Health Authority who is working through a small crisis. I think we will be able to make 3:30! Thanks.

Hi Rhonda,  
It looks like Tony has an appointment on Thursday from 11-noon so I will add it to his calendar as a tentative meeting tomorrow from 3:30 – 4 PM. Does that work for you?

Hello Rhonda,

We would be happy to accommodate your visit.

What does your schedule look like on Wednesday? Tony currently does not have any appointments on Wednesday, but it might be safer to meet in the afternoon if possible to give him some time to catch up.

Let me know what your availability is and if there is any other support we can provide over the next few days.

Hi Tony,

I am the new ATSDR Regional Director. I am visiting with our partners at Oregon Health Authority and Oregon Poison Center over the next three days and wanted to reach out to you as well.

I have been working with Paul, Richard, and Judy regarding the Hayden Island/Jantzen Beach air issues. So I will be working with these folks to visit the area. I was also hoping to do a 'walk through' and meet some folks in your office. I see you are out until Wednesday so maybe I can work with Melody to find a quick time to chat.

Thanks,  
Rhonda
